

# Conferences and Meetings

## THE IDEAL WAY TO COMBINE WORK AND PLAY!

Escape metropolitan Christchurch but stay within city limits; get away to Ferrymead Event Centre situated within the picturesque Ferrymead Golf complex, and enjoy the leisurely pace and relaxed atmosphere. Just minutes from the central city, Ferrymead Events Centre is the perfect venue for your next business meeting or conference.

The Ferrymead Events Centre transforms the complex's café/bar into a spacious conference room that is private and comfortable, creating a tranquil atmosphere that is the perfect escape from the office. Conference attendees are catered to by our onsite restaurant and bar, while special deals on the driving range and mini-putt course mean any tea breaks will be a true break from the working day, or can be incorporated for course activities such as team building and such like.

Spend the morning crunching numbers and the afternoon relaxing in the sun playing a game of mini-putt on the Volcano Park course, or have some themed fun if it's wet/cold in the Monsters & Zombies indoor mini-putt, or perhaps let your frustrations out on a few balls at the driving range before getting down to business.

Ferrymead Events Centre provides a unique venue for your important day or special event with a private conference room, fully licensed function centre, large marquee and all the options of leisure golf activities, all set amongst the Heathcote Hills.
